UST-14, SUMMARY OF DEPOSITS & DISBURSEMENTS

INSTRUCTIONS: BEFORE COMPLETING THIS PAGE, prepare a UST-14 CONTINUATION SHEET (see next page) for each bank account or other source of the debtor's funds. The deposit and disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY.

The debtor is responsible for providing an accurate monthly disbursement total for the purpose of calculating its obligation pursuant to 28 U.S.C. § 1930 (a)(6) to pay statutory fees to the United States Trustee. The disbursement total encompasses all payments made by the bankruptcy estate during the reporting month, whether made directly by the debtor or by another party for the debtor. It includes checks written and cash payments for inventory and equipment purchases, payroll and related taxes and expenses, other operating costs, and debt reduction. It also includes payments made pursuant to joint check arrangements and those resulting from a sale or liquidation of the debtor's assets. The only transactions normally excluded from the disbursement total are transfers within the same reporting month between multiple debtor accounts.

A fee payment is due within 30 days after the end of each calendar quarter, or on **April 30, July 31, October 31, and January 31**, respectively. Since the amount billed is an estimate, the debtor is responsible for paying the correct statutory fee based on its actual disbursements for the calendar quarter, or portion thereof the debtor was in Chapter 11. Failure to pay statutory fees to the United States Trustee is cause for conversion or dismissal of the case. A copy of the statutory fee schedule may be found attached to this report. If you have questions computing the disbursement total, contact the Bankruptcy Analyst assigned to your case at (206) 553-2000.

Significant Events and Case Progress June 2019:

The company experienced an operating loss in June of \$3,929 compared with an operating loss of \$10,934 in May.

The Court authorized the Trustee to sell remaining property of the estate per order of July 10, 2018. NWTM sent miscellaneous collector numismatic pieces from inventory to a dealer for sale on consignment. Approximately half of the estimated value was received in December. An additional \$6,441.10 and \$2,808.50 was received in January and April 2019 respectively. We adjusted the receivable to the estimated value per the consignment dealer on the items remaining. The remainder we anticipate receiving by the end of August, approximately \$800.

The Trustee did have a plan to sell the remaining store inventory over time using a consignment approach. However, the agreement could not be reached on acceptable terms to the Trustee. Thus, the Trustee is in discussion with multiple parties to purchase the remaining store inventory and other assets for a fixed cash sum. When the Trustee receives an acceptable offer the Trustee will submit a proposal to the bankruptcy court for a section 363 sale of the store inventory and other assets.

The Trustee continues to investigate and intends to pursue certain transfers of assets made by Diane Erdmann. The Trustee filed a motion to approve a settlement with Mr. Cohen regarding the ownership of certain assets seized in 2016 by the Sheriff at the home of Ross Hansen and Diane Erdmann and to authorize execution on Erdmann's interest, if any, in those assets. Erdmann filed for bankruptcy protection on the day before that hearing, delaying the Trustee's ability to effectuate the Cohen settlement and administration of the seized assets. The Trustee is asserting the estate's rights as a creditor in the Erdmann bankruptcy case.

The company terminated all remaining employees as of 9/30/2018. The Trustee will obtain services necessary to the administration of the estate on a consulting basis from certain former employees as necessary.

Trustee will continue to liquidate the estate's assets in Chapter 11 and distribute the liquidation proceeds subject to a court order. The proceeds will pay administrative claims. All WARN Act approved claimants, class representative and class counsel fees have now been paid. Pursuant to Court order, two allowed administrative claims totaling \$15,500 were paid forty percent distributions on their allowed claims in January 2019 (total payment of \$6,200) leaving an unpaid allowed balance totaling \$9,300 on these administrative expense claims. All other Court approved Administrative claims have been paid in full. The Trustee does not believe administrative claims for fees and costs of professionals will be paid in full and does not anticipate distributions to the General Unsecured Creditors.

- **Account Information :** Your name and account number.
- **Dollar Amount :** The dollar amount of the suspected error.

While we investigate whether or not there has been an error, the following are true:

- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively “advances”) from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the “Average Daily Balance” of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.

CREDIT INFORMATION: If you believe we have reported inaccurate information about your account to a credit reporting agency, you may contact the credit reporting agency or write to us at:

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively “advances”) from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the “Average Daily Balance” of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.

At KeyBank, it's important that we keep you informed about changes to your account and want to ensure you are aware of an upcoming fee change.

Each time you use a non-KeyBank ATM to withdraw money (Foreign Withdrawal) or check your account balance (Foreign Inquiry), you are charged a fee. Beginning on August 8, 2019, the current Foreign Withdrawal and Foreign Inquiry fees on your account will increase from \$2.50 to \$3.00. These charges appear on your statement as a "Regional ATM Fee". The new fees will be reflected in your August 2019 statement.
